SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years Standing, Relieved by Cardal.

Mr. Alry, N. C.—Mrs. Sarah M. Chap-pell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardal, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together. My friends began asking me why I looked so well, and I told them about Cardal. Several are now taking it." Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that distressing tired feeling? If so, let us urge you to give Cardal a trial. We feel confident it will help you, just as it has a million other women in the past half century. Begin taking Cardal to-day. You won't regret it. All druggists.
